

# PROGRAMME FESTIVAL CENTRE

Status: June 4ht 2015, subject to change

## WEEK 1 | JUNE 11 – 13

Thursday, 11th June 2015

### PANEL #1 | 14:00 - 16:00

#### DEFINING COMMONS, DESIGNING COMMONS

New urban commons have almost never been proactively designed. We discuss the new definitions of commons, and urban commoning as a design imperative.

\* **Partner: Theatrum Mundi (UK/US)**

\* **Moderation: Ethel Baraona Pohl (ES)** Critic and curator, Co-founder of dpr-barcelona, an architectural research practice based in Barcelona, editor of Quaderns.

### KEYNOTE LECTURE | 14:00 - 14:30

\* **Massimo De Angelis (IT)** Professor of Political Economy and Development at the University of East London and co-director of the Centre for Social Justice and Change.

### PANEL DISCUSSION

\* **Friction Atlas: Paolo Patelli (IT)** Addresses the legibility of public space, of its programs and of the laws that regulate its uses.

\* **Commons Josaphat: Philippe de Clerck (BE)** Autonomous platform unifying inhabitants, citizens, activists and organizations around the notion of producing and managing our cities based on the concept of the commons.

\* **Atelier d'architecture autogérée: Doina Petrescu (FR)** Professor of Architecture and Design Activism at the University of Sheffield.

\* **Adam Kaasa (UK)** Founding member of Theatrum Mundi and jury member of the Designing the Urban Commons competition.

### RESPONDANT

\* **Theatrum Mundi: John Bingham-Hall (UK)** Urban researcher with a background in music and architectural studies, develops and co-produces Theatrum Mundi's programme and is completing a PhD at the Bartlett, UCL.

Thursday, 11th June 2015

## **PANEL #2 | 16:30 - 18:30 Uhr**

### **VOLKSPARK 2.0 | NEW URBAN LANDSCAPES OF COMMONS**

On the transformation of contemporary urban landscapes based upon the notions of commons versus the highly individualized appropriations of spaces. How does one design for this new urban commons?

\* **Partner:** In cooperation with Berliner landscape architects.

\* **Moderation:** Jessica Bridger (US) Urbanist, journalist and consultant.

#### **PANEL DISCUSSION**

\* **Atelier Loidl: Leonard Grosch (DE)** Landscape Architects in Berlin and designers of the Gleisdreieckpark.

\* **Topotek 1: Martin Rein-Cano (AR)** Landscape Architects and designers of a participatory public space, Superkilen, Copenhagen.

\* **A24: Steffan Robel (DE)** Landscape Architect and initiator of the notion of Volkspark 2.0.

\* **100land: Thilo Folkerts (DE)** Landscape architect, works on the conversion of the former Berlin Wall death strip near Bernauer Straße.

## **PANEL #3 | 19:00 - 20:30**

### **RETHINKING URBAN COMMONS. EN ROUTE TO A BERLIN MODEL FOR PUBLIC LAND?**

On the current policy for public lands in Berlin with international guests and comparable practices in other European countries.

\* **Partner: Initiative Stadt Neudenken (DE)** The initiative strengthens the professional and social discourse about a new urban development policy for Berlin through innovative concepts and support.

\* **Moderation: Cordelia Polinna (DE)** Think Ber!n.

\* **Opening word: Francesca Ferguson (UK)** Initiator and curator of the MAKE CITY Festival.

#### **PANEL DISCUSSION**

\* **Margaretha Sudhof (DE)** Staatssekretärin der Senatsverwaltung für Finanzen, Berlin.

\* **Andreas Krüger (DE)** Belius Stiftung.

\* **Katrin Schmidberger (DE)** MdA, Bündnis 90/Die Grünen.

\* **Klaus Hubmann (CH)** Initiative Boden behalten, Basel gestalten.

#### **RESPONDANTS**

\* **Florian Schmidt (DE)** Initiative Stadt Neudenken.

\* **Francesca Ferguson (UK)** Initiatorin und Kuratorin des MAKE CITY Festivals

\* **Christian Schöningh (DE)** Architekt, Die Zusammenarbeiter.

\* **Birgit Möhring (DE)** CEO Berliner Immobilienmanagement

Friday, 12th June 2015

**PANEL #4 | 14:00 - 17:00**  
EMERGING OUT OF CRISES, BUILDING COMMUNITY

Renegotiating the Urban Commons - from the political to the final product: what is the limit to community-driven design?

\* **Moderation: Dessauer Institut für Architektur - Ivan Kucina (SRB)** Architect and guest professor at Dessauer Institut für Architektur, co-founder of the Savamala Urban Transformation in Belgrade.

**KEYNOTE LECTURE | 14:00 - 14:30**

\* **Social Life: Nicola Bacon (UK)** Founding Director, works on social innovation.

**PANEL DISCUSSION**

\* **Actors of Urban Change: Amalia Zepou (GR)** Elected member of the Athens Municipality City Council in 2014, Vice Mayor for Civil Society and Municipality Decentralisation.

\* **Zuloark-Kollektiv: Juan Chacon (ES)** Among their numerous actions, Zuloark is actively involved in el Campo de Cebada (Madrid), a common space in the city center designed and regulated by the local community.

\* **Fabulous Urban: Fabienne Hoelzel (CH)** Works on large scale projects in developing regions with an emphasis on civic empowerment and community based design.

\* **Atelier d'architecture autogérée: Doina Petrescu, Constantin Petcou (FR)** The Colombes development project focuses on the revitalization of a socially marginal area through community engagement through living, cultivating and recycling.

\* **Ministry of Space: Iva Cukic und Partner (SRB)** Reflecting on the future of cities. Focused on the formal creation and defense of public space, using the DIY philosophy and participative processes.

**RESPONDANT**

\* **Adam Gebrian (CZ)** Architect, journalist and co-founder of many projects and initiatives including City Interventions as "For a New Prague", an organization that aims to present quality architecture and improve the quality of the architectural milieu in the Czech Republic.

Friday, 12th June 2015

**PANEL #5 | 18:00 - 20:00**

**FLUSSBAD TALKS #1 | HOW TO EMPOWER AN IDEA**

Berliners are increasingly attracted to the idea of being able to swim in the Spree River. Flussbad Berlin has called on three architects and designers with extensive experience in developing intelligent strategies for socially relevant projects, to lecture and discuss the project.

\* **Partner: Flussbad Berlin e.V.**

\* **Moderation: Ilka and Andreas Ruby (DE)** Founders of Ruby Press.

**PANEL DISCUSSION**

\* **Van Bo Le-Mentzel (DE)** Berlin-based designer and social activist (Hartz IV furniture, Karma Chucks).

\* **Rainer Hehl (DE)** Berlin-based architect and urban planner specializing in developments in emerging territories.

\* **Franz Sumnitsch (AT)** From the Vienna-based architects BKK-3 (Sargfabrik).

Saturday, 13th June 2015

**LUNCHTIME TALK | 13:00**

**CURATING OUT OF CRISIS - THE CHANGING FACE OF ARCHITECTURE COMMUNICATION**

Ethel Baraona Pohl, the associate curator of this year's Adhocracy in Athens, Ariadna Cantis, long standing curator of architecture in Spain and Latin America and developer of the current 'Fresh Latina', with the Cervantes Institute in Berlin and with Andres Jacques.

Saturday, 13th June

## PANEL #6 | 15:00

### SELF MADE CITY

Mechanisms of alternative urban development: SELF MADE CITY focuses on the architectural und urban qualities self-initiated development and how these can be transferred as principles to new projects in the conditions of other cities.

\* **Partner:** An expert discussion organised by Kirsten Ring/AA PROJECTS, in dialogue with local and international guests.

\* **Moderation: Kristien Ring (US)** Founder AA Projects, author of SELF MADE CITY and curator of the URBAN LIVING exhibition at the DAZ – Festival HUB.

#### PANEL DISCUSSION

\* **Irena Baumann (UK)** Professor of Sustainable Urbanism at Sheffield University and head of Bauman Lyons Architects.

\* **Ute Weiland (DE)** Deputy Director of the Alfred Herrhausen Society, International Forum of the Deutsche Bank: On how alternative development effects the neighborhood.

\* **Florian Koehl (DE)** Architects and initiators of Berlin Baugruppe-Project NBBA: On parameters for the future of Baugruppen.

\* **Paola Alfaro d'Alencon (DE)** Urban Research and Design Laboratory, TU Berlin: on ephemere Development.

\* **Eric Firley (US)** University of Miami

\* **Tina Saaby (DK)** City architect at Copenhagen Municipality: On Stratigic Urbanism.

\* **Tuukka Linnas (FIN)** Architect, Kalasatama and Malmi Project, Helsinki City Planning Department, Finland: "Learning from Berlin – Creating Possibilities for Co-Housing in Kalasatama, Helsinki".

\* **Klaus Boemer (DE)** Managing Director Gewobag EB Berlin: On how alternative models can work for large scale, mixed-use developments — example of the Eckwerk, Holzmarkt, Berlin.

\* **Sam Brown (UK)** Architect, University of Sheffield: On Collective Custom Build, Right to Build legislation the goals of the Urban Room policy.

## WEEK 2 | JUNE 18 – 20

Thursday, 18th June 2015

## PANEL #7 | 10:00 - 13:00

### URBAN OPEN SOURCE | PARTICIPATORY DESIGN

How urban landscapes, urban commons and interstitial spaces are discovered, mapped and implemented in such a way that areas of potential in a city are manifested as part of a heightened awareness of commons?

\* **Moderation: Elke Krasny (AT)** Curator, cultural theorist, urban researcher and writer. Specialist of participation and "hands on urbanism". Professor at the Academy of fine Arts in Vienna, Austria.

#### KEYNOTE LECTURE | 10:00 - 10:30

\* **Fran Tonkiss (UK)** Professor of Sociology at the London School of Economics and director of the Cities Programme. Her interests in urbanism include cities and social theory, urban development and design, urban inequalities and public space.

#### PANEL DISCUSSION

\* **Playful Commons: Gilly Karjevski (IL), Sebastian Quack (DE)** Playful Commons explores new licenses for playful use of public spaces build on the Creative Commons licenses.

\* **Aristide Antonas (GR)** Architect and theorist based in Berlin and Athens. His project proposes an administration of selected rooftops, arcades and specific urban areas with alternative legislations operating autonomously by a control via internet.

\* **Digital Society: Julia Kloiber (DE)** Project manager at the Open Knowledge Foundation and at the "Digital Society". She deals with projects about free knowledge, open data, internet policy and design.

\* **Zones Urbaines Sensibles: Kristian Koreman (NL)** Their project, the urban bridge, is the primary example of crowdfunded architecture.

\* **Urbanitas Berlin Barcelona: Maria Muñoz (ES)** Co-founder. Her Alicia Project was selected by the Robert Bosch Foundation in the framework of the program "Actors of Urban Change".

## **PANEL #8 | 14:00 - 16:30**

### **GREEN URBAN CIVIC**

'Green Urbanism' expands the maker ethos, and agendas of civic participation into the future based on a variety of initiatives: this is the urbanism of Small Acts – and social enterprise.

\* **Moderation: Elke Krasny (AT)** Curator, cultural theorist, urban researcher and writer. Specialist of participation and "hands on urbanism". Professor at the Academy of fine Arts in Vienna, Austria.

### **PANEL DISCUSSION**

\* **Infarm: Guy and Erez Galonska (IL)** Explores, develops and create sustainable, efficient and smart indoor farms in the city.

\* **Maker Library Network: Daniel Charny (UK)**

Maker Libraries are creative spaces that combine reading, showing and making. Daniel Charny is a curator, strategic consultant and lecturer in the field of contemporary design.

\* **Quartiermeister: David Griedelbach (DE)** Quartiermeister is sold as "social beer" in Berlin. All profits are used locally to promote social and cultural projects.

\* **Himmelbeet: Johannes Rupp (DE)** Intercultural garden project in Berlin's Wedding.

Thursday, 18th June 2015

## **PANEL #9 | 17:00 - 18:30**

### **COLLECTIVE PRESENTATION AND DISCUSSION**

The following newly published books will be discussed amongst authors and guests:

\* **Presented by Aristide Antonas (GR)**

Archipelago of Protocols (2015, dpr Barcelona Verlag)

\* **Presented by Susanne Hofmann (DE)**

Architecture is Participation. Die Baupiloten—Methods and Projects (2014, Jovis Verlag)

\* **Presented by Mary Dellenbaugh (US/DE)**

Urban Commons: Beyond State and Market (2015, Birkhäuser, Bauwelt Fundamente)

\* **Presented by Kristian Koreman (NL)**

City of permanent temporality, The making of Luchtsingel Schieblock, Test Site Rotterdam (2015, NAI Bookseller)

\* **Presented by Andreas Rumpfhuber (AT)**

Modelling Vienna, Real Fictions in Social Housing (2014, Turia und Kant)

\* **Moderation: Carson Chan (US)** Architecture writer and curator.

Friday, 19th June 2015

**PANEL #10 | 11:00 - 16:00 (with a break)**  
RETHINKING URBAN GOVERNANCE

Urban Governance in the Age of the Civic & Maker Economy: urban resilience, understood as the ability of a city through participative processes to respond to global economic and political changes introduces alternative examples of urban governance.

\* **Moderation: Christian Pagh (DK)** Cultural designer and Founding Partner, UIWE Agency.

**KEYNOTE LECTURES | 11:00 - 12:30**

\* **Indy Johar (UK)** Architect and institutional innovator. Within 00:/, co-founded multiple social ventures from HubWestminster.net to the upcoming HubLaunchpad.net. He co-led the research The Compendium for the Civic Economy, and participates to the development of wikihouse.cc and opendesk.cc.

\* **Dan Hill (UK)** Executive Director of Futures and Best Practice for the Future Cities Catapult. His work focuses in the challenge of urban integration.

**PANEL DISCUSSION | 14:00 - 16:00**

\* **AdLib Architectes: Laurent Machet (FR)** AdLib Architectes brings interdisciplinary teams together to generate programs through architectural research in politically and socially conflicting situations of the Parisian banlieue.

\* **WeLoveTheCity: Andries Geerse (NL), Marek Vogt (DE)** Build unorthodox coalitions which transform deprived areas into vibrant urban communities. With our lessons learned we support local governments around the world who want to empower their citizens to take the lead.

\* **Labgov: Christian Iaione (IT)** Founder of the think tank Labgov in 2011, a laboratory running experiments of social and institutional innovation based on horizontal and circular subsidiary, active citizenship, sharing economy, collaborative consumption, collaborative governance and public collaboration.

Friday, 19th June 2015

**PANEL #11 | 19:00**  
ANOTHER CITY IS POSSIBLE - PRACTICES OF THE MINIMUM VIABLE UTOPIA  
OPENING KEYNOTE OF THE SYMPOSIUM: ADAM GREENFIELD, BEWARE OF SMART PEOPLE!

“What I am interested in is creating circumstances in which ordinary city dwellers are able to acquire a refined understanding of all the circumstances that shape their participation in civic life, whether those circumstances are technical, political, economic or psychological.” (A.Greenfield)

\* **Partner: TU Berlin, Dialogplattform Smart People & Urban Commoning.**

\* **Opening Word: Christine Ahrend (DE)** Vice President for Research and Promotion of Young Scientists, TU Berlin.

**KEYNOTE LECTURE \* Adam Greenfield (US)** Writer and urbanist, Urbanscale, London.

**RESPONDANT \* Vanessa Watson (ZA)** Chair of City Planning, University of Cape Town.

The symposium BEWARE OF SMART PEOPLE continues on Saturday, June 20th, 2015 at the Institute of Architecture, Technical University Berlin.

Saturday, 20th June 2015

**PANEL #12 | 11:00 - 12:30**  
**MONEY IS NO OBJECT!**

From collective financing to collective designing. Can we design new forms of collective finance that overcome economics in property development? A panel on wise economies without a profit motive, and on emancipatory urban practice that could overcome the limitations of the "Precariat".

\* **Moderation: Angelika Fitz (AT)** Cultural theorist and curator, guest professor at the Technical University Vienna.

**PANEL DISCUSSION**

\* **Christian Schöningh (DE)** Architect and founding partner of Die Zusammenarbeiter, an architecture agency specialised in all types of co-op projects.

\* **Andreas Rumpfhuber (AT)** Architect and founder of Expanded Design. He focuses on the connection between architecture and economics.

\* **Bernhard Hummel (DE)** Architect at Ex Rotaprint, a model for a mix of studio spaces, printing works and crafts-based manufacturing.

\* **Adam Gebrian (CZ)** Architect, journalist and co-founder of "For a New Prague", an organization that aims to improve the quality of the architectural milieu in the Czech Republic.

\* **Lisa Rochlitzer (DE)** Architect and Advisor at Mietshäuser Syndikat Berlin

\* **Claudia Thiesen (CH)** Architect SIA, Bau- und Wohnungsgenossenschaft Kraftwerk1.

**RESPONDANT**

\* **Levent Kerimol (UK)** Founder of the Our London-Community Commissioned Neighbourhoods. Our London works with boroughs and landowners to help groups of people jointly develop their own housing and local facilities.

**PANEL #13 | 13:30 - 15:30**  
**CONCEPT OUTBIDS CASH**

The Former Flower Markt, Südliche Friedrichstadt: Three projects re-define urban development.

\* **Moderation: Jörg Leeser (DE)** Bernhardt und Leeser, Joint practice for Architecture.

**PANEL DISCUSSION**

\* **Manfred Kühne (DE)** Director of the Department for Urban Planning at the Senate Department for Urban Development, Berlin.

\* **Hans Panhoff (DE)** District Councillor and Director of the Department for Planning, Building and Environment, Berlin Friedrichshain-Kreuzberg.

\* **Andreas Foidl (DE)** CEO of Berliner Großmarkt GmbH.

\* **Susanne Heiss (DE)** Architect/ Arge ifau I HEIDE & VON BECKERATH, Section 4.

\* **Janine Sack (DE)** Representative of the developer, Section 4.

\* **Tim Heide (DE)** Architect / Arge ifau I HEIDE & VON BECKERATH, Section 4.

\* **Benita Braun Feldweg (DE)** Architect and developer / bfstudio-architekten, Section 5.

\* **Matthias Muffert (DE)** Architect/ bfstudio architekten, Section 5.

\* **Sonja Beeck (DE)** Representative of the developer, Section 2.

\* **Matthew Griffin (UK)** Architect and developer/ Deadline architects, Section 2.

\* **Britta Jürgens (DE)** Architect and developer / Deadline architects, Section 2.

## WEEK 3 | JUNE 24 – 27

Wednesday, 24th June 2015

### **HUB 17:00 - 20:00 Uhr** URBAN WOOD WORKS

#### EXPERTS EXPLAINS WHY WOODEN ARCHITECTURE IS NOT JUST BARKING UP THE WRONG TREE

Wooden constructions on a large scale: a conversation with wooden-construction experts along with a pop-up-exhibition.

\* **Partner: Institut für urbanen Holzbau.**

Thursday, 25th June 2015

### **PANEL #14 | 15:00** DIFFERENT LIVING

Classical residential models are no long what today's city dwellers are looking for. "Different living" introduces new, unusual concepts. During the entire duration of Make City, the eponymous exhibition on the topic of "Affordable Living – Housing for everyone" takes place at the HO Berlin.

#### **PANEL DISCUSSION**

\* **Alexander Hagner (AT)** gaupenraub +

\* **Jörg Fischer (DE)** Feddersen Architekten

\* **Klaus Dömer, Hans Drexler, Joachim Schultz-Granberg (DE)** Authors "Affordable Living - Housing for everyone"

Friday, 26th June 2015

## PANEL #15 | 16:00 - 17:30

### CREATE – MAKE – SELL

How can we design hybrid spaces for new urban economies?

\* **Partner: dan pearlman Markenarchitektur GmbH**

\* **Moderation: Ares Kalandidis (GR)** Urban planner and CEO Inpolis.

#### PANEL DISCUSSION

\* **Dimitri Hegemann (DE)** Founder Tresor Berlin and space research expert.

\* **Christoph Hoffmann (DE)** Co-founder 25Hours Hotels.

\* **Markus Kather (DE)** Geographer and project manager COBRA.

\* **Francesca Ferguson (UK)** Initiator and curator of the MAKE CITY Festival.

\* **Volker Katschinski (DE)** Co-founder dan pearlman and retail expert.

\* **Thorsten Kadel (DE)** creative director and head of strategy dan pearlman.

## PANEL #16 | 18:00 - 19:30

### NEW BUILD ENABLES

Creating value in development & public-private ventures: the recent years have seen the development of derivative forms of public-private partnerships that tend to creatively enlarge the scope of possibilities regarding the definition, the programme, the financing and the future uses of a project. How do we add value to new live/co-work/design developments and incorporate a sense of corporate social responsibility?

\* **Moderation: Isabel Hoffmann (DE)** Advisor at nuances public affairs.

#### PANEL DISCUSSION

\* **Darwin Ecosystème: Philippe Barre, Sylvain Barfety, Christiaan Weiler (FR)** Initiative of Evolution Limited in Bordeaux, to rehabilitate a part of a former military site as a hub for innovative enterprises and urban culture.

\* **Le 6b: Julien Beller, Rabia Enckell (FR)** Founders of le 6b, a cultural hub located in an unique compound that was once subjected to demolition. 6b as a cultural experience hands-in-hands within the different partners progressively shifted the fate of the facilities towards a more sustainable vision based on the uses experimented through the 6b existence.

\* **Malzfabrik-Next: Frank Sippel (DE)** The Malzfabrik is an industrial monument characterized by creativity and culture with highlights in sustainability.

\* **Macro Sea: David Belt (US)** The Brooklyn Navy Yard is a high-tech design and prototyping center comprising 7,800

square metres; a national model for sustainable industrial parks and a unique laboratory for scientists, artists, architects, students and individuals to explore and advance the larger framework of socio-ecological design. Planned with Terreform 1.

\* **Holzmarkt-Projekt: Mario Husten (DE)** The Holzmarkt project realises a creative village, a club, a hotel and public river-parks at Berlin's innercity Spree.

\* **Cathedral Group: Martyn Evans (UK)** Creative Director. Cathedral Group engages in the development of real estate properties in the United Kingdom. Their portfolio includes public-private-partnerships and urban renewal projects.

\* **Erik Spiekermann (DE)** World renowned graphic designer who reflects upon the role of craftsmanship and design in defining a creative space.

Saturday, 27th June 2015

## **WORKSHOP | 11:30 - 13:00** MODULAB-WORKSHOP

„Technology is the campfire where we tell our story” – [Laurie Anderson]

The workshop by Modulab group will examine the Maker movement and its importance for the economy and culture.

### **\* Partner: Rumänisches Kulturinstitut**

**\* Ioana Calen (RO)** Journalist working for different magazines and newspapers, such as Cotidianul, Capital, Harper's Bazaar, Vice. Cofounder of Modulab, the first media lab in Bucharest. Modulab is a multi-disciplinary platform that promotes research and development of new means of expression through technology.

**\* Paul Popescu (RO)** Trans-media artist and inventor, author of interactive installations developed for international new media art festivals, as CyNet Art in Dresden and Píksel in Bergen. He developed the media-installations for the Romanian Pavillion, Venice Biennale of Architecture, 2012. Between 2008/2009 in charge of the MNAC Lab, the new media department of The National Museum of Contemporary Art from Bucharest.

## **PANEL #17 | 14:00 - 15:00**

### **THE VALUE OF PUBLIC SPACE | ENSURING THAT THE COMBINED FORCES OF TRANSPORT AND COMMERCE CONTRIBUTE TO THE VALUE OF PUBLIC SPACE**

There is much concern about the pressures of commerce on our public space. And yet many of the abiding icons of public space derive their character from commerce and transport. The designers Adrian Peach, David Karásek (MMCité), and Michal Froněk discuss how best to manage this uneasy co-habitation to ensure quality of experience for all.

### **\* Partner: mmcité, Academy of Arts, Architecture & Design in Prague**

#### **PANEL DISCUSSION**

**\* Michal Froněk (CZ)** Architect, course leader at the Academy of Arts, Architecture and Design in Prague. Partner of architecture and design office Studio Olgoj Chorchoj.

**\* Adrian Peach (DE/UK)** Designer and lecturer at HTW Berlin and AAAD amongst others, researcher and consultant with emphasis on design thinking and innovation processes.

**\* David Karásek (CZ)** Designer and founder of mmcité, Czech producer of outdoor furniture for public spaces.

## **PANEL #18 | 15:30 - 16:30 Uhr**

### **ARCHITECTURE FESTIVALS: A REVIEW AND OUTLOOK**

Two architecture festivals are presented as platforms and instruments for the communication of new tendencies in architecture and urban planning.

**\* Moderation: Adam Gebrian (CZ)** Architect, journalist and co-founder of many projects and initiatives including City Interventions as “For a New Prague”, an organization that aims to present quality architecture and improve the quality of the architectural milieu in the Czech Republic.

#### **PANEL DISCUSSION**

**\* Milota Sidorova (CZ)** Programme director reSITE architecture festival Prague.

**\* Siim Tuksam (EST)** Exhibition curator at Tallinn Biennale.
